Crowder, Chun

To: STIC-Biotech/ChemLib
Subject: Sequence search 10/757,863

Please provide sequence search for 10/757,863:

SEQ ID NO: 3, where position 68 is Xaa (any other amino acid) instead of Asn(N), against commercial and interference databases.

SEQ ID NO: 4, where position 68 is Xaa (any other amino acid) instead of Asn(N), against commercial and interference databases.

Thanks!

Chun Crowder, Ph.D.
